Insect Protein Market

Customers:
Food manufacturers
USA & EU

Competitors - Cricket farmers
**Asking to adopt
technology to grow
grasshoppers**

More opportunities
Pet food

A photograph of three men kneeling on a stone patio outdoors. The man on the left is wearing a dark blue t-shirt and jeans. The man in the center is wearing a black button-down shirt and jeans, and is holding a clear plastic bottle filled with brown organic matter, likely compost. The man on the right is wearing a blue and white checkered shirt and dark pants. They are all smiling at the camera. In the background, there are green plants and a white wall. Overlaid on the image are three green speech bubble-like boxes containing text about their roles and experience.
